www.ssactivewear.com or www.sanmar.com

Print colors selected from the above standard color chart will result in no extra charge. Specific PMS colors requested outside of this charge will result in \$20, per color. These color chips are approximations of our fabric inks. Slight variations in hue and saturation may be noticed between these chips and the actual inks once they are printed. Results may vary based on production methods such as ink film thickness, opacity, underlays, substrate and lighting. Pricing valid until next price increase.
